UN FORM INFORMATION

Please consult this document prior to purchasing items that retailers advertise as school uniform as they may not meet school requirements.

Why have a uniform?

We believe that proper school uniform is important because it:

- instils pride in the students and the wider community
- encourages identity with, and support for, our school ethos
- protects children from social pressures to dress in a particular way
- nurtures cohesion and promotes good relations between different groups of pupils
- supports effective teaching and learning.

Our uniform

All items that require the school logo must be purchased via our uniform supplier only. This includes blazers, jumpers, skirts and ties.

Blazers, shirts and jumpers:

- Compulsory: Navy blue blazer with embroidered school badge (only available from Michael Sehgal).
- Compulsory: Plain white school shirt buttoned to the neck with school tie.
- Optional: Grey v-neck jumper with embroidered school badge (only available from Michael Sehgal). This item does not replace the school blazer.

Trousers and/or skirt (compulsory):

Plain grey formal straight cut trousers. Pleated skirt (only available from Michael Sehgal).

Footwear:

Plain black, formal, leather or leather style shoes. No trainers, plimsolls, pumps or boots. Socks must be black, navy, grey or white.

Outerwear:

- Piercings are not allowed, including tongue piercings, nose and eyebrow studs.
- Plus/expanders are not allowed.
- Watches are allowed but please ensure they are suitable for a school environment.

Equipment

We expect all students to come to school fully equipped to learn. We believe that being organised and prepared for lessons is a vital skill that will prepare students for the real world. It also ensures that students have the right equipment to fully engage in learning in the classroom as well as at home in order to complete homework to the very best of their ability. We therefore ask that every child has a pencil case that includes the following equipment:

- 2 black biros
- 2 pencils
- 1 ruler
- 1 rubber .

In addition to this, we will require all students to have their own scientific calculator to bring to lessons. It will also mean that they can complete calculator-based tasks at home. We ask that all students purchase the same model since the function buttons of scientific calculators can often be set up in different ways. The model we ask you to purchase is the Casio FX-85GT CW. This is also the same model that students will use in their final GCSE exams so it will prepare them for the exam itself by consistently using the same type of calculator.
